MENTORING

Because attending a CCR consultation for the first time can be a confusing experience, the CCR executive has implemented a mentor program. Upon request, people who are new to CCR consultations are given the name of a person experienced in the ways of the CCR who assists the newcomer to understand the CCR processes and how the newcomer can best participate. First time attendees and their mentors will be introduced to each other at the orientation session to be held on the first morning of the consultation. To assist in this process we ask participants to indicate on the registration form if you are attending for the first time or if you are willing to act as a mentor.

REFUGEE PARTICIPATION

The CCR is committed to promoting refugee participation. Refugees who have arrived in Canada within the last five years and who are without an organization that could pay their registration fee can register free of charge. Refugee participants must fill in a registration form, marking it REFUGEE PARTICIPANT, and send it in to the CCR office by Friday 23 November.

We hope to have an orientation session for refugee participants a week or two before the consultation. The purpose of the session will be to give people some information about the CCR in advance, so that they can get the most out of their participation. If you would like to participate, please send an email to Colleen French at ccr4@web.ca so that we can give you details of time and place once they are available.

CHILDCARE

During the conference we may be able to provide childcare services for conference participants who have signed up **by 2 November**. Please specify times at which childcare is needed and the age(s) of the children (children must be toilet trained) - we will get back to you to let you know if it is possible.
