

**Canadian Council for Refugees national meeting
Consent of parent or legal guardian**

*****To be completed by the parent/guardian of the minor child (under 18 years)*****

I, _____, parent/ legal guardian of
_____ (minor's name), hereby
authorize my dependant child to attend a national meeting organized by the Canadian
Council for Refugees taking place in _____ (city) during the period
_____ (dates).

My dependant is _____ years old and will be accompanied by _____
_____, who is an adult, to the CCR consultation.

I have been informed this CCR meeting address issues of refugee protection and
immigrant and refugee settlement and bring together people from across Canada and
beyond, including refugees, immigrants, representatives of NGOs, government, UNHCR,
academics and international guests. Except for the Youth Action Gathering (YAG), I
have also been informed that the program is not necessarily suited to minors, as the
primary target is representatives of organizations working with refugees and immigrants.

I am aware that there are risks involved in participating in such a large national meeting,
but both my dependant and I have decided it is worthwhile to assume any such risks so
that s/he may participate in the event.
